

Molly Dunks, CHES

**Wellness and Disease Management Program Manager
Wisconsin Department of Employee Trust Funds
Madison, Wisconsin**

Molly is the Wellness and Disease Management program manager for the Wisconsin Department of Employee Trust Funds. This program is available to more than 160,000 state and local employees, retirees, and their spouses. As a Certified Health Education Specialist, Molly is energized by supporting organizations and their employees to reach their well-being goals. Her efforts earned two of her former employers the Wellness Council of America's Platinum Well Workplace Award. She also has presented at various conference workshops hosted by the University of Wisconsin–Madison, the Wellness Council of Wisconsin, the Health Enhancement Research Organization, and the State and Local Government Benefits Association.
