

**Nina D. Homan, Pharm.D.**

**Director, Clinical Advisors  
Aetna  
Omaha, Nebraska**

Nina joined Aetna's pharmacy management in 2010 and currently leads a team of clinical pharmacists in the Southeast and West regions. Nina and her team of clinical advisors are responsible for working with Aetna pharmacy clients to develop clinical strategies and program designs based on industry trends and analytics. Nina brings with her a diverse background in managed care, specialty pharmacy practice, and retail professional services. Prior to joining Aetna, Nina worked with a national specialty pharmacy provider, and she spent ten years with Prime Therapeutics, a pharmacy benefit management company owned by multiple Blue Cross and Blue Shield health plans. Nina also practiced for ten years with a national retail pharmacy chain, advancing diabetes disease management for the chain. Nina was a founding instructor for Creighton University School of Pharmacy's Diabetes Care Certification Program, which focuses on educating students and local pharmacists on management of diabetes in their patient populations. Nina graduated from the University of Nebraska College of Pharmacy with her doctor of pharmacy degree and has been an active member of the Academy of Managed Care Pharmacy since 2001. She is also an active member of the National Association of Specialty Pharmacy (NASP). Nina enjoys traveling, outdoor activities, and training new open water scuba divers.
